

## Calvary Chapel Vail Valley Covenant

Please read this covenant carefully so you understand CCVV beliefs & policies. By signing at the bottom, you'll be agreeing to respect the community you are serving and commit to being the hands and feet of Jesus to the community and also to the other members of your team.

- I am committed to my personal relationship with Christ.
- I agree to look for ways to serve others with a joyful attitude, so I can help people like Jesus did. I understand that I am on the trip to serve God, help a community, build new relationships and learn new things. I agree to come prepared to do just that!
- I am aware that my actions affect people other than just me. I agree to obey all local laws and ordinances pertaining to use of drugs and alcohol by minors. I will not bring or use any weapon or illegal substance during my mission trip. At no time during the trip may there be consumption of any alcoholic beverage or drug substance by any person of any age; this includes the time spent traveling to and from destination.
- I want to respect the people around me, so I agree to bring clothes in line with what has been outlined by my trip leaders.
- I agree that this mission trip is a group experience. I'll be in different group settings all throughout the trip. Because of this, I will do my best to build community, create relationships, be welcoming and include others. I agree to treat everyone – leaders, staff, other students and community members – with the utmost respect.
- I want to stay focused on the people and experiences in the community I will be visiting. Because of this, I will consider leaving my cell phone or other electronic devices away either in my bag or at the hotel. If I choose to bring them, I understand that my use of them will be limited, and I will risk theft or loss.

I agree to follow all the above expectations because I want to be safe, love others and represent Jesus well at all times.
